

JOSHUA E. YOUNG
Senior Associate

Josh Young is a real estate professional, specializing in industrial real estate. His services include marketing industrial buildings/land for sale or lease. He also represents clients to either buy or lease industrial properties.

Josh serves as an advocate for the companies he represents and is able to minimize the time his clients spend on dealing with real estate issues.

Josh is a 1994 graduate of Transylvania University with a B.A. in Finance/Marketing. He has excellent negotiation skills and over 14 years of sales experience.

His superior work ethic and persistent attention to detail ensure that each client achieves the best possible economic and contractual terms in real estate transactions.

A partial list of Josh's clients include:
