

Broker of the Month

CCR Congratulates Si Pitstick!

Si Pitstick, SIOR, CCIM, a principal owner of Cincinnati Commercial, REALTORS® (CCR) is the ProLogis Broker of the Month for August 2005.

Earlier this summer, Si represented Cornerstone Brands, Inc., in its lease of 400,200 square feet at ProLogis Park Fairfield, outside of Cincinnati. Si has conducted numerous transactions with ProLogis over the last ten years totaling hundreds of thousands of square feet. Just last year, Si was instrumental in putting together a 156,000-square-foot lease with Valeo Climate Control at Fairfield's Constitution Distribution Center.

ProLogis regional director Doug Kiersey said, "We very much appreciate Si's knowledge of the customer's needs as well as of ProLogis' objectives. He was able to shape the transaction to meet the needs of both parties in the face of significant time pressure, with just over 60 days transpiring from initial showing to occupancy. We look forward to working with Si on future transactions in the Cincinnati/Northern Kentucky market."

Si has more than 17 years experience in the Greater Cincinnati/Northern Kentucky industrial real estate market. He has been a member of the Cincinnati Commercial Top Producers Club every year since its inception in 1993.

Congratulations to Si!
